Java Programming CS 131

Lab #9 projects "Java Graphics"

Due: November 17, 2019

Hello Professor Steve,

I have attached (2) .java files from the exercises requested in lab #9:

- "CafeWall.java"
- "DrawingPanel.java" (graphics Class, included this weeks study)

- **CafeWall.java**

- **Explanation:** The program will draw the illusion on a graphics panel called "CafeWall". The "CafeWall" illusion is a geometrical-optical illusion in which the parallel straight dividing lines between staggered rows with alternating black and white "bricks" appear to be sloped.
- **Inputs:** no user inputs. Need to only execute the program
- **Outputs:** Drawing of the CafeWall on the graphics panel
- **Results:**
